The Honorable Dave Taylor  
2<sup>nd</sup> Congressional District of Ohio  
325 Cannon House Office Building  
Washington, DC 20515

Dear Congressman Taylor,

On behalf of AMAC Action, the advocacy affiliate of AMAC - Association of Mature American Citizens with over 2 million members nationwide, including nearly 7,000 residing in OH-02, we write to express our strong support for the Deporting Fraudsters Act. This legislation ensures that any alien who defrauds the United States or steals taxpayer dollars intended for U.S. citizens is deemed inadmissible and deportable. Your bill is a much-needed step in protecting American seniors and hardworking taxpayers from fraud and abuse.

Our nation's seniors have spent a lifetime contributing to programs like Social Security and SNAP, which were created to provide financial security for those who have earned and need them. Yet, due to rampant fraud, these vital benefits are increasingly being drained by bad actors, including individuals who have no legal right to be in our country.

It is common sense that any illegal alien who defrauds our government, exploits our welfare system, or steals from our most vulnerable citizens should not be permitted to remain in the United States. The Deporting Fraudsters Act rightfully ensures that those who engage in such crimes face removal and are barred from reentry, reinforcing the rule of law and protecting the integrity of our nation's safety net programs.

Your legislation provides a long-overdue solution that prioritizes law-abiding American citizens, especially seniors who rely on Social Security, Medicare, and other essential programs.

Thank you for your leadership in standing up for seniors and the hardworking citizens of this country. AMAC Action is proud to support this legislation, and we look forward to working with you to move the bill forward this Congress.

Sincerely,
